Industries in U.P. and Bihar

905. DR. MOHD. HASHIM KIDWAI: Will the Minister of INDUSTRY be pleased to state:

(a) the number of large and medium sized industries located in Uttar Pradesh and Bihar during the period from April 1, 1985 till March 31, 1987;

(b) what are the names of these industries and places where these industries have been located; and

(c) what is the total capital invested in these industries and what has been the annual turn over?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNUCHALAM): (a) and (b) During the period from 1st April, 1985 to 31st March, 1987, the following number of industrial licences were granted for setting up of industries in the States of Uttar Pradesh and Bihar:—

Name of the State	No. of Industrial Licences issued between 1.4.85 to 31.3.87
Uttar Pradesh	140 (including 36 carry on Business Licences)
Bihar	30 (including 14 carry on Buiness Licences)

Details, such as name & address of the undertaking, location, item(s) of manufacture involved and capacity etc. in respect of all industrial licences issued are being published regularly by the Indian Investment Centre in their 'Monthly Newsletter' Copies of this publication are being sent to the Parliament Library, regularl.

The initial validity period of an industrial licence is two years within which the entrepreneur is expected to commence production. However, further extensions beyond the initial validity period of two years can also be granted by the administrative Ministry concerned on genuine grounds. It generally takes about three to four years for an industrial project to fructimy. As such, the above industrial licences granted during the last 2 years would presently be at various stages of implementation.

(c) Information regarding actual capital invested and annual turnover achieved in projects for which industrial licences have been granted is not maintained centrally in the Secretariat for Industrial Approvals in the Ministry of Industry.
